Good morning,

I just wanted to reach out regarding an additional opportunity that NCCJ provides students, Anytown. Anytown is a regional camp that brings high school students together from the entire Miami Valley. It is an experience based camp focusing on leadership through the lens of diversity, equity, and inclusion. We are working to recruit for three 2021 Anytown camps. One in March, one in June, and one in November. Our school and community contacts have been great assets in helping us to recruit for Anytown. We wanted to see if this is something you may be able to help spread the word about to Oakwood students.

We have been able to partner with Montgomery County ADAMHS to present Anytown, and due to this Anytown is free to all students.

I am attaching a flier regarding this upcoming year of exciting programs. In addition, students can register, or view more information on camp dates at [www.nccjgreaterdayton.org/anytown](http://www.nccjgreaterdayton.org/anytown)

Please let me know if you have any questions about what our 2021 programs will look like. I am happy to schedule a call as well to discuss Anytown in more depth with you.

Thank you,

Lake Miller

Through workshops, discussion groups, and interactive activities, **ANYTOWN** delegates tackle tough questions regarding gender identity, race, religion, sexual orientation, ability status, and more. They find common ground to build a deeper understanding of and respect for others, learning to bridge the divisions that keep us apart and building an inclusive community.

Join us at our March, June, or November sessions! ANYTOWN is open to all high school age students. For more information, registration and specific camp dates scan the QR code or visit our website.
