Hello Anytown alumni,

NCCJ needs your help with recruitment for our upcoming Anytown Institute! The Anytown Institute is happening June 12-17, 2022, and we have spots open for high school students from the Miami Valley. For this session only, we are allowing 2022 high school graduates to attend Anytown as well.

If you're interested, and able to **recruit two students for this upcoming session**, you will receive an **Anytown fanny pack**. Just make sure the students put your name on their registration as how they learned about Anytown.

Students can learn more & register at www.nccjgreaterdayton.org/anytown. If you have any questions, please reach out. Thank you!

Hello Oakwood SPIDEE,

First, I wanted to say that for those of you who attended, you all did an amazing job at the elementary schools yesterday! You should be so proud of yourselves! Lake and I were so impressed with you all!

Next, I wanted to share again about the Anytown Institute happening June 12-17. The Anytown Institute is a **free, week-long, overnight leadership program** where students engage in education, discussion, and immersive activities dedicated to teaching about the "isms" like racism, classism, genderism, and ableism through the lens of leadership and allyship. Lake and I are both alumni of Anytown, and it's an amazing experience. It teaches valuable leadership skills, and (as a benefit) looks great on college applications.

Feel free to share this opportunity with your friends as well. For this summer only, we are allowing 2022 graduates to attend as well. Also, if you sign up by this Sunday, you will get an Anytown fanny pack from NCCJ.

You can learn more & register at www.nccjgreaterdayton.org/anytown. And please feel free to reach out to me with any questions! Thanks!
