Then & Now:

"My name is [REDACTED] and I identify as a student, employee, coworker, friend, and daughter. I was born in Romania, but lived most of my life in Ohio. I love traveling where I have been to seventeen countries and U.S. national parks. I'm passionate about creating a space for community and for serving those around me well.

I attended Anytown 2013 where I was able to be helped in understanding the immense privilege I have as a middle-class, white woman and it helped me have compassion for those who don't have the same opportunities that I do. I would absolutely recommend others attend Anytown, for it impacted the lens through which I approach my career by giving me a desire to use my skills and abilities to serve other people.

Currently, I'm splitting my time between graduate school in upstate New York at Cornell University and my home in Columbus, OH where I'm doing an internship with Under Armour. I'll be graduating with a Masters in Industrial and Labor Relations in December 2022 and look forward to returning to friends
