Hi!

I was forwarded your email about Anytown from Joan Bline, our Prevention and Intervention Counselor at Oakwood High School, just as an FYI, 'cause we like to stay connected from building to building. I am wondering if you have anything like this at the elementary level? What great work you're doing!

(Also, hi! Nice to "see" you again! And thriving in your position!)

👍

Hello!

I am so glad to hear from you!

We do have a camp for 10-12 year olds, Police and Youth Together. This camp teaches empathy, communication, respectful disagreement, and leadership while working with the police. The goals include bridging relationships between youth and the police, and furthering police understanding of the community.

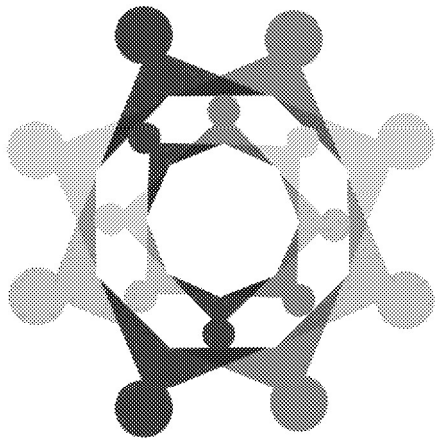

We also have created a program in numerous districts called SPIDEE (Students Promoting Inclusion, Diversity, and Equity through Education) in which we train high school students to go into elementary schools and teach about bullying, peer pressure, and diversity. I actually think SPIDEE would fit very well into Oakwood.

Lastly, NCCJ has done shorter presentations at all levels of elementary school relating to SEL with a focus on diversity, equity and inclusion.

I know that was a lot of information... I would be more than happy to find a time to chat with you and see if there are any ways we can partner!

Hope you are doing well!
