I apologize, but could you please provide me with the schedule for SPIDEE meetings?

Thank you for your time,

Hi [REDACTED],

While we hope to have every SPIDEE member go through Agents, it's okay if you did not complete all of Agents. You are welcome to start attending SPIDEE meetings after the final Agents session this Friday. We will hopefully be providing Agents of Change next school year as well, so if you decide you'd like to attend the sessions you missed, you could do that as well, but it's not required.

Thanks for reaching out!

Good afternoon!

I am attaching Hannah on this email. She should be able to answer your questions. From my understanding, the final Agents of Change session will be this Friday, and then you can absolutely begin attending those SPIDEE sessions.

Thanks!

Lake

Hello,

I have a question about the Agents of Change meetings and program at my high school, Oakwood.

I "joined" (I'm not quite sure if I have officially) the program on the second-to-last meeting, meaning that I missed the rest of the content and curriculum. I'm looking forward to the S.P.I.D.E.E program, but from what I understand, it requires graduation from Agents of Change to join. Because of this, I was wondering if there is a way in which I can complete the program in its entirety. I could be entirely incorrect in all of this, of course.

Thank you for your time,

[REDACTED]
