Hi Lake,

I'm sorry, I double booked Paul. What other days work for you? He cannot not do tomorrow afternoon.

Is there any chance he is available at or after 2:00 on Tuesday?  
Otherwise the 15th between 10 and 12 or after 2 is an option as well.

Thanks!

Hi Lake,

What day/time would you like to meet? Please let me know, and I will schedule the meeting. Also, can you please send me a copy of the article so that Paul can look at it again?

Good afternoon!

I shared the new SPIDEE article with Adriane (our Executive Director) who shared many of the same concerns we did as we reviewed the article. As we shared the information with our Board, they were

hoping to see if there is an opportunity that our organization leadership can meet with Dr. Waller/ anyone else from the district to discuss the article and anything needed to move forward from this and best avoid any future targeting.

Let me know if this may be an option! As always, we very much appreciate your help and continued support of this programming.
