Subject: Free Program for High School Students

Happy Monday!

I am reaching out to let you know of a free program for high school students starting soon.

NCCJ is hosting a regional Agents of Change program, offered virtually on Zoom. Agents of Change transforms students by providing them with the knowledge and skills to think critically about the world around them. This unique program begins the process of unlearning biases and stereotypes, and encourages students' growth towards seeing diversity as opportunity. Each week, we will cover a different topic. Topics include race, class, intersectionality, sexism, cisgenderism and heterosexism, suicide prevention and self care, and how to take the skills you have and create change in your school and community. Learn more and register at www.nccjgreaterdayton.org/agents.

Regional Agents of Change: Thursdays, 6 - 8 PM on Zoom

February 17, 24

March 3, 10, 17, 31

April 7

Please reach out if you have any questions!
